

# Being HUMAN in the Practice of LAW

Thursday, October 3, 2019, 9:00am to 12:00pm,  
The London Club

Human dynamics & conversational intelligence are 2 of the challenges of law practice not taught in law school. Basic neuroscience tells us that conversations affect the brain.

During this program, learn to close the gap between intention and impact and build your capacity to build trust, develop understanding, create a productive workplace, and improve communication.

Taught by Tracy Quinton, an expert on getting people to work together to achieve results, and Kathryn Munn, a seasoned mediator, arbitrator, facilitator and lawyer.

This program is for individuals, co-workers and teams!

This organization has been approved as an Accredited Provider of Professionalism Content by The Law Society of Ontario.
