## M E M O R A N D U M

**DATE:** September 28, 2023  
**TO:** Notice to the Profession and Self-Represented Litigants  
**FROM:** The London Family Court Bench  
**RE:** Changes in Mode of Proceeding

Please take note of the following changes to the mode of proceeding.

### Substantive Regular/Short Motions

Effective Wednesday, November 15, 2023, all substantive regular/short motions will be held in person. This applies to all Wednesday motions.

CAS/CYFSA motions will continue to be held virtually on Fridays.

Long Motions/Special Appointments will be held virtually.

### Trial Management Conferences (TMC)

Any TMC scheduled to occur on or after Tuesday, October 24, 2023 will be in person.

CAS/CYFSA TMCs scheduled to occur on or after Thursday, October 26, 2023 will be in person.

TMCs are scheduled at the same time as settlement conferences, and it makes sense to have them proceed in person as the time slots are used interchangeably.

Any questions may be directed to the attention of LAJ Sah.
